Dear Parent / Carer,

Scottish Partnership for Transport (SPT) have informed the school that due to a road closure, a change to uplift / setting down arrangements are having to be made for bus contract 7234C.

As of Monday 19<sup>th</sup> June 2017 until the summer holidays, any pupil who normally gets on or off a school bus in LANSBURY STREET, will not be able to do so.

They should make their way to IRWIN STREET, where the school bus will pick them up and drop of at the normal times.

SPT apologises for any inconvenience this may cause.

Yours sincerely

Paul J Brown
